

# Senior Health Review

Article Number: 13 | Rating: Unrated | Last Updated: Fri, Jul 29, 2016 at 12:12 PM

## Overview

The Senior Health Review is a quarterly document used to record any changes in client health status or care needs.

## Applicable Staff

ID Staff nurses may complete, edit, and view the form. All ID staff may view the form.

## Usage

The Senior Health Review Form is client and episode based and may be accessed from the Home View, within a client's chart, or via the menu path Avatar CWS/Mercy Modeled Clinical Forms/Mercy ID Forms/ Senior Health Review. Select the appropriate client if opening from outside of a specific chart. The form opens to the Quarterly Senior Health Review Section and the Health Status subsection.

## Health Status Subsection

Enter information about any significant health changes, current medications and procedures, dietary needs, and self-medication status.

## Personal Care Needs Subsection

Record information regarding hygiene, toilet care, eating skills, mobility, respiratory aids, and any other needs required.

The screenshot displays the 'Senior Health Review Form (MIDS 1002)' interface. On the left sidebar, under 'Quarterly Senior Health...', the 'PERSONAL CARE NEEDS' tab is selected. Below this are buttons for 'Submit', a set of six icons (including a star, a pencil, a trash can, a red X, a group of people, and a yellow star), and a status area showing 'Autosaved at 11:34 AM' and links for 'Vitals Entry' and 'Current Medications'. The main content area is titled 'PERSONAL CARE NEED' and contains five sections, each with a text input field and a small icon on the right: 'Hygiene', 'Toileting Incontinent Care', 'Eating Skills', 'Mobility Status Adaptive Aids', and 'Respiratory Aids'. A final section, 'Other Personal Care Needs', is partially visible at the bottom.

## Recommendations Subsection

Record recommendations for Medical Follow Up and future staff training. Press the blue **Submit** button when complete.

The screenshot displays a software interface for the 'Senior Health Review Form MIDS 1002 (June 1998)'. At the top, a grey header bar contains a dropdown arrow and the word 'RECOMMENDATIONS'. Below this, the form is divided into two main sections. The first section is titled 'Medical Follow Up Recommendations' and contains a large, empty white text area with a vertical scrollbar on the right. The second section is titled 'Recommendations for future staff training' and also contains a large, empty white text area with a vertical scrollbar. At the bottom of the form, a grey footer bar displays the text 'Senior Health Review Form MIDS 1002 (June 1998)'.

## Tips & FAQ

Any useful tips, and questions provided by users after roll out.
