Personal Care Needs Subsection

Record information regarding hygiene, toilet care, eating skills, mobility, respiratory aids, and any other needs required.

The screenshot displays a software interface for a 'Senior Health Review Form (MIDS 1002)'. The interface is divided into a left sidebar and a main content area. The sidebar contains a 'Quarterly Senior Health...' menu with three options: 'HEALTH STATUS', 'PERSONAL CARE NEEDS' (which is highlighted in green), and 'RECOMMENDATIONS'. Below the menu is a blue 'Submit' button and a row of six icons: a star, a pencil, a trash can, a red X, a group of people, and a yellow star. Further down, the sidebar lists 'Autosaved at 11:34 AM', 'Vitals Entry', and 'Current Medications'. The main content area is titled 'PERSONAL CARE NEED' and contains five sections, each with a text input field and a small icon on the right: 'Hygiene', 'Toileting Incontinent Care', 'Eating Skills', 'Mobility Status Adaptive Aids', and 'Respiratory Aids'. A final section, 'Other Personal Care Needs', is partially visible at the bottom.

Recommendations Subsection

Record recommendations for Medical Follow Up and future staff training. Press the blue **Submit** button when complete.

The screenshot shows a software interface for the 'Senior Health Review Form MIDS 1002 (June 1998)'. At the top, there is a tab labeled 'RECOMMENDATIONS' with a downward arrow. Below this tab, there are two text input areas. The first is labeled 'Medical Follow Up Recommendations' and the second is labeled 'Recommendations for future staff training'. Both input areas are empty and have a vertical scrollbar on the right side. At the bottom of the form, the text 'Senior Health Review Form MIDS 1002 (June 1998)' is displayed.
