Article Number: 19 | Rating: Unrated | Last Updated: Tue, Aug 2, 2016 at 5:58 PM

Overview

Using Verify Unit Census to check the accuracy of the Avatar system compared to actual residential occupancy.

Applicable Staff

Supervisors, Directors, and the Billing/AR Staff will follow this procedure.

Usage

The Verify Unit Census form is used to verify patients receiving care to allow accurate billing for services rendered. Inpatient/Residential Billing is accomplished through posting charges by Billing/AR staff. Outpatient and/or Ancillary services provided are entered through **Progress Notes** that can be traced back to specific issues in the Outcome Action Plan. [Outcome Action Plan](#)

Verify Unit Census

The census is verified by opening the **Verify Unit Census** form by following the menu path Avatar PM/Services/Inpatient-Residential/Verify Unit Census. Select the **Current Census Crystal Report** to show each program and all clients currently classified as present or on leave for residential care. Ensure

that the unit(s) being verified are correct before proceeding. Make any changes necessary.
